

**Public Notice**  
**Community Based In Home Services (CBIHS) Program**

Notice is hereby given that Letters of Intent for the Community Based In Home Services (CBIHS) Program for the Wyoming Department of Health, Aging Division, Senior Services for services to be provided in Platte County will be accepted until 2:00 p.m. MDT, May 25, 2012 by the Department of Health, Aging Division, Senior Services 6101 Yellowstone Road, Suite 186A, Cheyenne, WY 82002

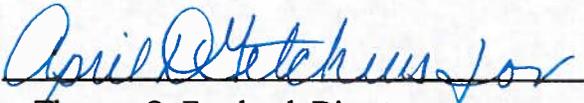

This program is authorized pursuant to W.S. 9-2-1208. The grant applications will cover the project period of July 1, 2012 through June 30, 2014. Contracts for this project period will be issued on an annual basis from July 1, 2012 through June 30, 2013, dependent and conditioned upon the state budget authorization, as well as quality of care provided to clients by the grantee.

The goals of the Community Based In Home Services program are to focus on enhancing the lives of Wyoming citizens 18 and older, enabling many individuals to remain in their homes and communities, thus preventing inappropriate or premature institutionalization.

Interested parties can obtain the Letter of Intent on the Aging Division, Senior Services' website: <http://www.health.wyo.gov/aging/services/index.html> .

For more information, or technical assistance, contact the Aging Division, Senior Services at 307-777-7986 or 800-442-2766.

DATED this 9<sup>th</sup> day of May, 2012.

  
Thomas O. Forslund, Director  
Wyoming Department of Health
